14. AI based Evaluation module:- Home page

15. Evaluation module exam load page to load the particular exam then only the staffs can use this module for that exam

The screenshot shows the 'Admin Control Panel' for the 'AI Answer Sheet Evaluation' system. The top navigation bar includes links for Home, TEST (highlighted with a red box), Admin, Answer Keys, Evaluation, and Statistics. The main panel contains three sections: 1. 'Exam ID \*', 'Subject ID \*', and 'Session ID \*' input fields with values 2, 2, and 1 respectively, followed by a blue 'Load Exam Control' button. 2. 'Control Settings' with two toggle switches: 'Marks Entry Window' (Allow staff to upload and evaluate answer sheets) and 'AI Evaluation' (Enable AI-assisted automatic evaluation), both currently turned on. 3. A green 'Save Control Settings' button. At the bottom, there is a yellow 'Important Notes' section.

16. The staffs can load the keyword based answer keys question number wise for the loaded exam

The screenshot shows the 'Answer Key Management' interface. It has two main sections: 1. 'Select Exam & Subject' with 'Exam ID \*' (dropdown showing '-1') and 'Subject ID \*' (text input 'Enter Subject ID') fields, and a blue 'Load Answer Keys' button. 2. 'Create Answer Key' with 'Question Number \*' (input '1') and 'Max Marks \*' (input '10.00') fields. Below these are two optional text areas: 'Question Text (Optional)' with placeholder 'Enter the question text for reference' and 'Marking Scheme (Optional)' with placeholder 'Detailed marking scheme or rubric'. At the bottom, there is a 'Keywords' section with a green '+ Add Keyword' button.

17. We can load all the student and then can submit answer script of the all the student

18. We can make statistical analyse on the ai result for the particular exam

## 19. Analytica module dashboard for the staff

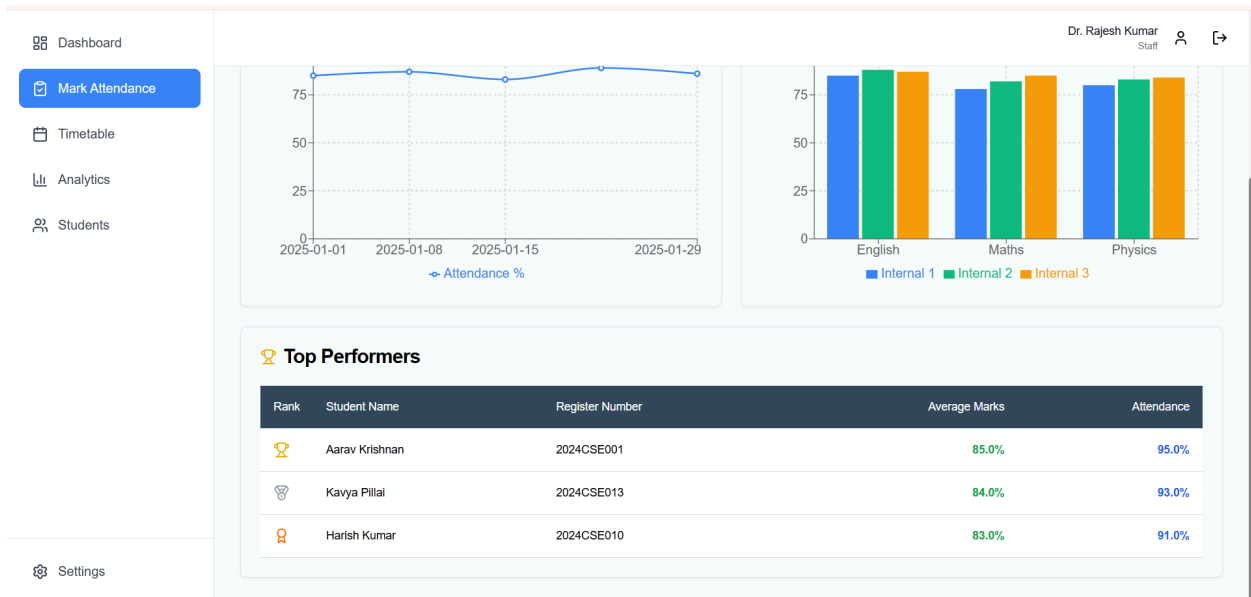

## 20. Analytical module staff timetable - incomplete because of insufficient data

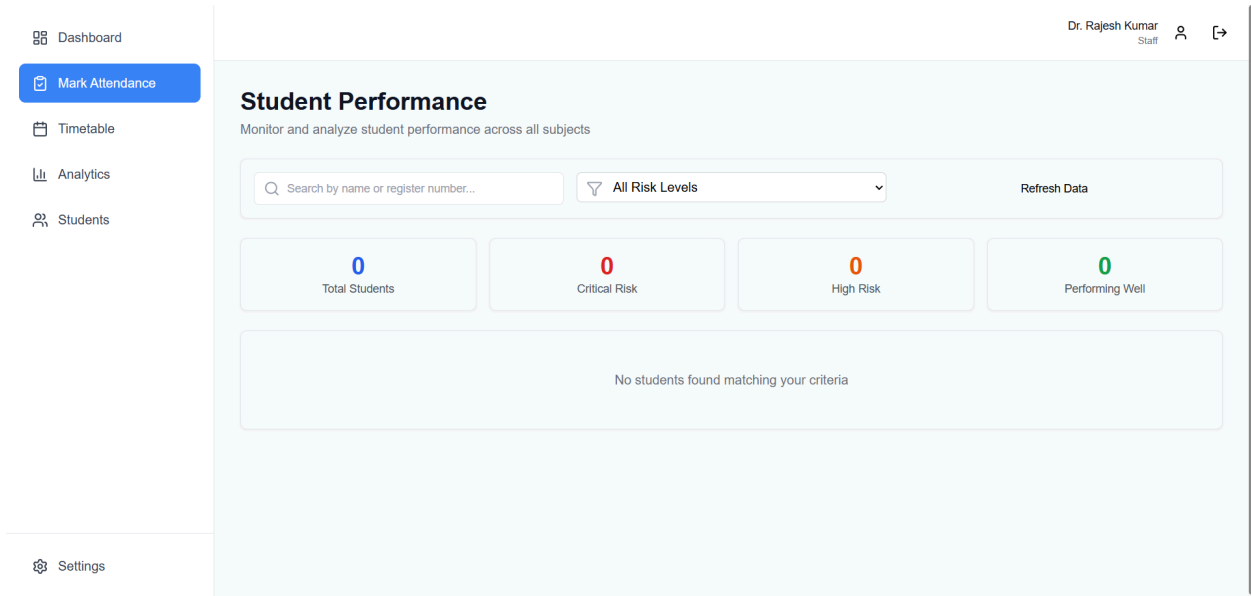

The Staff Timetable for Dr. Rajesh Kumar (Staff) shows a weekly schedule. The sidebar includes navigation options: Dashboard, Mark Attendance, Timetable, Analytics, Students, and Settings. The main content area has a 'Timetable' header with the subtitle 'View your weekly schedule'. Below this are two tabs: 'Weekly View' and 'Today's Schedule'. The 'Weekly Timetable' table shows a schedule for Monday through Friday, with columns for P1, P2, P3, P4, P5, and P6. The data is mostly 'FREE', but P5 is marked 'LUNCH BREAK' for all days.

|                     | MONDAY      | TUESDAY     | WEDNESDAY   | THURSDAY    | FRIDAY      |
|---------------------|-------------|-------------|-------------|-------------|-------------|
| P1<br>8:00 - 8:50   | FREE        | FREE        | FREE        | FREE        | FREE        |
| P2<br>8:50 - 9:40   | FREE        | FREE        | FREE        | FREE        | FREE        |
